

Pack 125 Photo Release

Many parents enjoy seeing their children's pictures in newspapers, on television and in other publications. However, some parents do not want their children identified for various reasons. In an effort to honor your wishes we would like you to communicate your preferences to us. Not all Cub Scout events can be controlled, and Cub Scouts volunteers and staff cannot always guarantee that a child will not be included in news or media reports.

Release for Minors (Parent/Guardian Permission)
